LYCEUM.

Flower of the Ranch.

At the Lyceum Thursday afternoon and to continue for an engagement of three days, "The Flower of the Ranch," a musical comedy that was declared by New York, Boston and Chicago critics to be the most novel and diverting musical play of last season, will be the attraction. As its title might suggest, the play is of the west and all three of its stirring acts are laid in California. The characters are those which might be encountered in a section where ranchmen, Mexicans, Indians, cowpunchers and rustlers form the population and afford abundant opportunity for handsomely scenic display which is said to have taken full advantage of. The musical numbers, of which there are almost a score, are logically introduced and accentuated by a large chorus of handsome young women.

A capable cast of principals has been provided. Complete and elaborate scenic and electrical equipment has been provided.

Archie Boyd in Shore Acres.

Homely Honesy, while it may be scorned by city folks, has the true ring of sincerity, and the country would perhaps be better off if homely honest were the standard even among the high financiers. When James A. Herne wrote his great play, "Shore Acres," there is no gainsaying but that he got close to the hearts of the people and that is always one of the strong points in successful plays. Mankind is indeed at a level when capable of selling a mother's last resting place. The story of "Shore Acres" is based on such a transaction as this, where one son wants to get rich at once and is willing to sacrifice the plot of ground on which stands his mother's grave. The other brother, Nathaniel Berry, resents this, and would, if he could, hurl all land syndicates into the sea.

At the Lyceum theatre, Toledo, four days, commencing Sunday.

Attractions at the Valentine Theatre, Toledo, Ohio, Week of April Fifth.

The Valentine Theatre of Toledo, will offer on April 5-6-7th, the moving pictures representing the Burns-Johnson Fight which took place in Australia. These pictures are being presented by W. A. Brady, who has seen to it that they are being given with every possible facility to make them clear. They represent the very best achievement of moving pictures. No other event of interest to the public has been so vividly reflected on a motion picture film. The very latest devices and improvements in the apparatus for taking the pictures were used and as a result the pictures when thrown on the screen have all the vividness and light of the original subjects. As this contest was one of the most interesting to the sporting world that has taken place for years, the interest of these pictures to this class will run exceedingly high. All the thrill that could have been experienced at the ring side can be felt by witnessing the representation of these rounds on the motion picture film. Without question, the entire sporting world of this section of the state will avail themselves of the opportunity to witness the pictures of this fight. The pictures are owned exclusively by W. A. Brady and are positively not being given under any other auspices in any other place in this section.

THEY NEVER FAIL

That is What They Say About Them in Perrysburg, and It is Therefore, Reliable.

Another proof, more evidence, Perrysburg testimony to swell the long list of local people who endorse the old Quaker remedy, Doan's Kidney Pills. Read this convincing endorsement of that remarkable preparation: John Carlsted, of Second street, Perrysburg, Ohio, says: "Last winter I was taken with typhoid fever and when I recovered found my kidneys badly disordered. My back ached so severely that I could scarcely stoop and I was unable to do any work for several months. I also had trouble with the kidney secretions. I tried several remedies but nothing gave me any permanent relief until I got Doan's Kidney Pills. They banished all by trouble and I have since recommended them at every opportunity."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States.

LIFE, LIBERTY AND LAUGHTER.

The Stryker Advocate compliments says: Grant W. Sower gave his lecture on Life, Liberty and Laughter in the Auditorium.

Mr. Sower has often been heard here and his message is always interesting and uplifting.

He held the closest attention of his audience for nearly an hour and a half. He has a voice and presence that commands attention. His illustrations are apt and he carries his points with clear and consistent reasoning. He has a command of language possessed by few orators. He has the art of mixing humor enough with serious thought to make his lectures popular. His message should be heard by those who enjoy an intellectual treat.

ECZEMA CURABLE? PROVEN!

Attorney at Moline, Ill., Convinced by Oil of Wintergreen Compound.

There is nothing that will convince a lawyer except evidence.

Now, here is some rather startling evidence of a simple home cure for eczema which convinced one lawyer, F. C. Entriken, attorney at Moline, Ill. He tells how oil of wintergreen compound mixed with thymol and glycerine, as in D. D. D. Prescription, cured him in thirty days after thirty-two years of suffering.

"For 32 years," writes Attorney Entriken, "I was troubled with eczema, scabs all over my face, body and head. I could run a hair brush over my back and the floor would be covered with scales enough to fill a basket. I tried everything—salves, internal medicine, X-Ray—all without result."

"Just a month ago I was induced to try D. D. D. Prescription. The itch was relieved instantly; so I continued. It is just a month now and I am completely cured. I have not a particle of itch and the scales have dropped off."

"I can only say again Cure Discovered. I am now starting all eczema sufferers on the right track."

Cure after cure has been brought to our attention and always that instant relief from the awful itch. Chas. P. Champney, Druggist.

Best Treatment for Colds.

"Most ordinary colds yield to the simplest treatment," says the Chicago Tribune, "moderate laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon? For sale by C. P. Champney.

A Mistake.

"I thought from the way that girl talked, she was the whole thing in the vaudeville sketch, and when I went to see the act, all she did to appear as an assistant in a milliner's shop, pasting inside bands on hats."

"Oh, then she probably gave you a wrong impression by telling you she was a headliner."

Alcohol to Children

Ask your doctor how often he prescribes an alcoholic stimulant for children. He will probably say, "Very, very rarely. Children do not need stimulating." Ask him how often he prescribes a tonic for them. He will probably answer, "Very, very frequently." Then ask him about Ayer's non-alcoholic Sarsaparilla as a tonic for the young. Follow his advice. He knows. J. C. Ayer Co., Lowell, Mass.
